Re: *United States v. Elizabeth Ramos*
22 Mag. 1537 (UA)

Dear Judge Netburn:

With the consent of Pretrial Services and without objection from the government (who takes no position), I write on behalf of my client, Elizabeth Ramos, to respectfully request that the Court modify Ms. Ramos's bail conditions by reducing the number of financially responsible co-signers required on her Personal Recognizance Bond from two to one.

On February 17, 2022, Judge Gorenstein released Ms. Ramos on her own signature and under the following bail conditions, *inter alia*: a \$50,000 personal recognizance bond to be co-signed by two financially responsible persons; travel limited to SDNY/EDNY; surrender of all travel documents and no new applications; and home detention enforced by location monitoring technology.

Ms. Ramos was released on February 17, 2022 and required to return to Pretrial Services by February 25, 2022 to self-install the monitoring equipment, which she did. Additionally, since Ms. Ramos's release, Ms. Ramos's mother, who serves both as moral suasion and as a financially responsible person, has co-signed the personal recognizance bond. Ms. Ramos also has been fully compliant will all other bail conditions.

Re: *United States v. Ramos*, 22 Mag. 1537 (UA)

Against this backdrop, the requested bail modification results in conditions that are the “least restrictive necessary” to secure Ms. Ramos’s return to Court and the safety of the public, and we ask that our request to reduce the number of co-signers be granted.

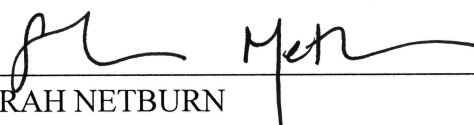

Thank you for your consideration of this matter.

Respectfully submitted,

The request for bail modification is GRANTED.
